The score was 17 to 17 and something desperate had to be done. The rooters were praying for a second Johnny Bender who could break loose when the emergency required and win the game by his own individual efforts. Nebraska had a Johnny Bender in the game when he was needed and it proved to be Cooke. Bentley had been playing quarter and doing some magnificent work, but the time was critical and although in no shape to play, King Cole, the famous tackle from Michigan who is coaching the Cornhuskers sent Cooke into the fray with ten minutes yet to play and Cooke delivered the goods.

Game is a Real One. The game was the most magnificent ever seen in the west. The crowd was the greatest ever gathered to a similar event in the Missouri valley. The field was absolutely perfect. The stands were high and strong and seated by actual count 4,000 people The arrangements for handling the crowd could not have been improved upon, all the speciators could see the entire game and officials did their work well and the game was one long to be remembered by the 7,000 lovers of of the great college sport who filled Dietz park to witness the biggest football battle in the west this year.

Bentley had been playing a fine game and had showed good judgment in the pinches, but Cooke was needed for the long run which was to win the game and he delivered the goods.

Crowd Was Magnificent. The crowd. It was magnificent. Never had such a crowd of enthusiasts gathered in the west to witness a foot ball battle. Glant stands had been reared at Diets park, with solid banks of humanity and colors. The sight was indeed thrilling. On the north was stationed the Ames rooters and on the south Nebraska. Three plays, as-sisted by a penalty on Carlisle, carried the ball to the forty-two-yard line, where Kennard attempted a goal from the field, but the ball did not reach the goal posts, and Carliele ran it back to their own eighteenyard line. Kennard was put out of the game for rough play and Ver Wiebe took his place. The ball was carried half way across to the Harvard goal and given to the Indians on Harvard's forty-five-yard line. A forward pass failed and Harvard received the ball on its own forty-eightyard line. Harvard lost twenty yards and

an interchange of punts gave Harvard the ball on its thirty-six-yard line. Two plunges on the left side of the Indian line gained twelve yards and gave Harvard the first down of the game. On the next play more plunges in the line made another twelve yards and another first down. Harvard kept hammering the left side of the Indian line, which seemed vulnerable, An on-side kick sent the ball to 'Carlisle's twenty-four-yard line, where it rolled along the ground. Then came a forward pass, which placed the ball, still in the possession of the Indians, on Harvard's eighteen-yard line. Hendricks made twelve yards around Harvard's left end and placed the ball on Harvard's four-yard line. The Indians attempted a forward pass, but it failed and at the same time off-side play by Carlisle sent the ball back to Harvard's twenty-five-yard line, while it still remained in possession of Carlisle. Another forward pass was attempted, but the ball fell into the arms of a Crimson player. A Harvard penalty on the first down placed the ball in the possession of the Crimson on its one-yard line. An exchange of kicks gave Harvard the ball on its fortyeight-yard line. Harvard advanced the ball to the Indians' thirty-seven 4 yard line. Harvard attempted an on-side kick, but the ball fell into the hands of an Indian on Carlisle's ten-yard line. Carlisle kicked to the center of the field. Carlisle kicked to the center of the field. Harvard again advanced the ball down the field, reaching Carlisle's five-ward line. Here the Indians made a fine stand and once more Harvard was penalized fifteen yards.

After four yards through the center Harvard attempted to gain on forward pass, but the ball went outside and it was the Indians' hall under their goal posts. Carlisle kicked on the first down to the center of the field and once more Harvard started for Carlisle's goal line. On their twentyyard line the Indians took the ball on downs. An exchange of punts followed and was the Indians' ball on Harvard's eighteen-yard line. Failing to gain on rushes, Balenti dropped back for a goal from placement, but the ball was blocked. An Indian fell on it on Harvard's thirtyyard line. On the next play Henricks got around Harvard's end, placing the ball on Harvard's seven-yard line. Here Harvard made a magnificent down and got the ball on downs on their one-yard line.

Long Run by Cutting. Short rushes, but nearly all of good distances, soon took the ball out of danger, then Cuttlag, who went in for Brown at left end, made a sensational run of fortyseven yards to Carlisle's forty-two yard line. A forward pass was mainly responsible for sending the ball to Carlisle's twenty-four yard line, where it was still in Harvard's possession. Four more plunges and the ball was Harvard's on Carlisle's seven-yard line. On the first rush the ball was pushed to within two yards of the goal posts and Leslie carried the bail over for the third Crimson touchdown, McKay kicked the goal. Score: Harvard, 17; Carlisle, 6.

JAYHAWKS SCALP CREIGHTON

Win Exciting Contest from the Local Foot Ball Warriors.

BATTLE IS FIERCELY WAGED

Creighton Excelled at Most Points of the Game and Unable to Make Headway Against

Kansas.

Kansas State Agricultural, 18; Creigh-

Playing its pony backfield against the eavy Jayhawk "Aggies," Creighton university was humbled to defeat yesterday through two drop kicks and one touchdown. Except for a brief period in the second half the local eleven was on the defensive, and at no time seriously threatened the Kansas goal.

The contest, particularly in the first half, was one of those games in which one expects to see the losing team simply immolated, but as Kansas lost chance after chance to score for one reason or another. the conclusion finally came that Creighton was not to be wiped off the map after all. In the second half, when heavier backs were playing, the contest was much more even and Kansas was unable to make first down and again, as in the first part of the

The Kansas eleven may not be quite as heavy as was claimed, but it is a beefy aggregation, nevertheless, and the backfield is speedy. Speer, on a kickoff after a goal from drop kick, ran seventy yards through the Creighton team, the sprint being the prettiest seen at the Vinton Street gridiron this year. He has the correct idea of open field running, dashing past his man and never slowing up in attempts to dodge. He thus flashed past tackler after tackler and was only brought down by the Creighton fullback.

Forward Pass Unsuccessful.

Creighton tried the forward pass without much success in the second half and showed either a lack of coaching on this most of the trick. While Kansas made some good gains by the same play, Bates, the quarterback, elected to try the on-side kick more frequently, and this did not always result successfully.

At straight foot ball Kansas excelled, the heavier weight in the line telling considerably in its favor in this matter. There were not more than the usual two or three debates over rules in the game, but an unusual incident occurred when Bowlby, Kansas' left end, was disqualified for slugging. Kansas was also penalized half the distance to its goal line, the amount being thirty-five yards.

Drop Kick in Five Minutes. A drop kick by Bates five minutes after play started made the first score, and a touchdown by Christian later in the half made it 9 to 0. The other score came in drop kick.

Kansas lost three opportunities for other scores in the first half, once through failside kick was injudiciously tried. In the second half they were several times within the twenty-yard line, but were now unable

to gain consistently. Creighton's defensive work was better in this half, due in part to the heavier backfield and in part to the vigorous remarks submitted by the coaches during the intermission. One fine point came up for the referee to decide in this section of the game. A Kansas man, trying to catch an on-side kick, held it for a perceptible period of time, then fumbled it when exactly on the sideline. A Creighton man fell on it. Kansas claimed that the ball had been in its possession when it went out of bounds and should be given the visitors. The ruling, and probably the correct one, was the other way.

Changes in lineup were frequent at the beginning of the second half, and through it and except Magirl and one or two other disabled Creightonites, nearly all the most available subs were given a chance, As a curtain-raiser, the Creighton third team played South Omaha High school and won,
